

Welcome to Hawthorn Class!

Autumn 2

This past term has been an exciting and adventure-filled one for our class! Here's a look back at all the wonderful things we've done in Autumn Term 2.

Peat Rigg: Our Year 5 students started off with an amazing residential trip to Peat Rigg, where they had a fantastic time ziplining, caving, and taking part in all sorts of outdoor adventures. They came back with lots of stories and big smiles!

Mayan Creations: While the Year 5s were away, the Year 4s dove into the ancient world by creating their own Mayan artefacts. They did a fantastic job bringing history to life right in our classroom.

Jaguar Reports: After that, the whole class came together to create detailed non-chronological reports on jaguars. They made wonderful double-page spreads filled with interesting facts and colourful pictures.

Festive Fun: We also had plenty of festive activities. The whole class enjoyed a trip to the pantomime to see Cinderella, had a blast at our class Christmas party and participated in a lovely Christingle service where we learned and sang "Step into Christmas."

Design & Technology: In DT, the children worked on making reflective belts to wear on their bikes, adding a creative and practical twist to their learning.

We're so proud of all the children for their hard work and enthusiasm this term and we look forward to more learning adventures in the new year!
