Spring Term
wb 23rd March 2026

I can't believe we're now at the end of Spring term – March has gone by incredibly quickly! We've had a busy and productive Spring term, exploring different parts of the country on our trips out of school, becoming engineers by constructing trains from scratch as part of our STEM project and celebrating the arts this week with talent shows, artist workshops and fierce Easter competitions. As well as enjoying our enrichment, children have blown us away with the progress they have made academically. I hope you enjoyed the opportunity to look at books and speak to staff this week and I'm sure you'll agree that a lot of hard work is going in to their learning at the moment and it's really paying off. I wish you and your families a restful, and hopefully sunny, break.

Miss Walker

Notices:

- Thank you to those who have completed the parent survey – I will share results and next steps after the holidays.
- PE days for Summer 1:
Ash = Tuesday and Thursday, Willow = Wednesday and Thursday, Beech = Monday and Thursday Hawthorn = Tuesday and Friday Oak = Tuesday and Friday
- New stay and read dates will be sent out in the first week back.

Attendance

Here are our final Spring term attendance figures. We've had a dip this week with holidays so I thank you in advance for supporting great attendance next term!

Ash – 96.13%

Willow – 96.33%

Beech – 96.09%

Hawthorn – 96.23%

Oak – 95.11%

Looking ahead

During our open afternoon today, you will see what we have been doing in Arts Week but as there have been so many activities and some projects are being finished off this morning, more will be shared in our next newsletter in the first week back, alongside dates for Summer term that you can add to your diaries!

Next half term is full steam ahead for statutory assessments so the only dates to be aware of are 5th May for a bonus Hawthorn trip due to a successful grant application (more information to be shared after Easter) and wb 11th May for KS2 SATs.
